Applicant submits herewith a further information disclosure statement, Form SB08, to make of record a newly received official action and reference cited in a corresponding application in the EPO. A copy of the official action is appended to this transmittal letter. The reference, US 4,458,369 – Santi, is listed on form SB08.

It should be noted that Santi does not disclose gripping the shower head housing between diametrically opposed locations at its widest part, as stated in applicant's claims as amended.

No fee is required because this citation is made less than three months after receiving the official action.
